

LX-9000 SERIES LIFETIME LIMITED WARRANTY

If your LX-9000 door sections rust through because of the paint finish cracking, checking or peeling, we will repair or replace those sections for as long as the original purchaser owns the door. Chips or scratches in the paint, which result in cosmetic or surface corrosion, are not covered in this warranty.

For the LX-9000 with DuraSafe, if any section, part or hardware, excluding glass, frames and inserts, is defective in material or workmanship, we will repair or replace it for three (3) years from the date of purchase by the original purchaser. The three (3) year limited hardware warranty applies to standard lift application only (not to hi-lift, vertical lift or low headroom).

These warranties are for single-family residential installations of complete Amarr Garage Doors (sections and hardware). They do not apply to commercial, industrial or non-residential uses. For residential condominium or similar multi-family housing, the rust through warranty will extend for a period of ten (10) years from the date of purchase to the original purchaser.

These warranties extend to United States installations only and to normal usage, when the door has been installed and maintained in accordance with the manufacturer's instructions. The above warranties do not apply to any damage or deterioration caused by abuse or misuse, failure to provide reasonable and necessary maintenance, improper installation or handling, acts of God, fire, failure of paint applied after door left our factory, alterations and/or additions to door or atmospheric conditions, including, but not limited to: (1) areas subject to excessive salt atmospheres, (2) areas subject to fallout or exposure to corrosive chemicals, fumes, ash, cement dust, animal waste, or foreign substances, and (3) areas subject to water runoff, or runoff from lead, copper or galvanic metal flashing.

We recommend you wash your Amarr door (just as you wash your car) to help protect the finish at least one (1) time per year, particularly in salt-air climates, with a mild solution of five (5) gallons of warm water and one (1) cup of a common household detergent, such as Tide®.

This door is preprimed, but we believe that the door will accept a wide variety of commercially available latex exterior house paint, when applied in accordance with the paint manufacturer's recommendations. However, no warranty of compatibility is made or implied. Do not use oil based paint.

If within the applicable warranty period, the LX-9000 Series door sections or hardware are found to be defective upon inspection by authorized Amarr personnel, Amarr will repair, repaint, or replace, at its option, the defective door sections or hardware. Proof of purchase is required. Any charges for freight, removal, installation or painting shall be the responsibility of the original purchaser. **IN NO EVENT SHALL AMARR BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES.**

Some states do not allow the exclusion or limitation of incidental or consequential damages so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights, which vary from state to state. To make a claim under this warranty contact us immediately, in writing, at the following address:

Amarr Garage Doors
P.O. Box 288
Winston-Salem, NC 27102-0288
www.amarr.com

Whereupon, at its discretion Amarr may instruct the purchaser to return the defective door section or part(s) thereof, prepaid, to the nearest Amarr facility.

ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE, ARE HEREBY LIMITED TO THEIR RESPECTIVE TIME PERIOD STATED ABOVE, AND OTHERWISE ARE EXPRESSLY EXCLUDED (SOME STATES RESTRICT SUCH LIMITATIONS, SO THIS LIMITATION MAY NOT APPLY TO YOU).
